INTRODUCTION

In conjunction with the 7th World Water Forum which will be held in April 2015 in Daegu & Gyeongbuk, Republic of Korea, the Malaysian Water Partnership is organising the Malaysia Water Resources Management Forum 2014 on the same theme "Water For Our Future". This Forum is organised in collaboration with the Department of Irrigation and Drainage Malaysia, and supported by Academy of Sciences Malaysia, the National Hydraulic Research Institute of Malaysia, LESTARI – UKM, Lembaga Urus Air Selangor and Perbadanan Putrajaya.

The proposed Forum which will be held over 2 days will gather all stakeholders and provide a platform for discourse on water resources issues in the country and sharing of strategies to tackle the challenges faced.

Objectives of Forum

- To provide a forum for Malaysian water stakeholders to highlight, discuss and recommend strategies to address IWRM-related issues faced by the different water sectors in Malaysia.
- To provide a platform for Malaysian water stakeholders to review the approaches taken to address IWRM-related work.
- To promote advocacy in IWRM and to strengthen political commitments regarding IWRM.
